Such indemnification may be authorized for any such person described above who is or was a party or threatened to be made a party to any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that the person is or was a member of the Board of Trustees or Officer who is not a member of the Board of Trustees, employee, agent, or representative of the Corporation. Indemnification may be authorized against expenses (including attorneys' fees, judgments, fines, etc.) actually and reasonably incurred in connection with an action described above if such individual acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the Corporation. With respect to any criminal action or proceeding, such person must have had no reasonable cause to believe the conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the individual did not act in good faith and in a manner which the individual reasonably believed to be in or not opposed to the best interest of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was not unlawful.

Section 2. Attorneys' Fees. To the extent that a current or former member of the Board of Trustees or Officer who is not a member of the Board of Trustees, employee, agent, or representative of the Corporation has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Section 1, or in defense of any claim, issue, or matter, the person shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred in connection therewith.

Section 3. Determination of Indemnification. Any indemnification under Section 1 or 2, unless ordered by a court, shall be made by the Corporation only as authorized in the specific case upon a determination that the indemnification of a current or former member of the Board of Trustees or Officer who is not a member of the Board of Trustees, employee, agent, or representative of the Corporation is proper in the circumstances because the individual has met the applicable standard of conduct set forth in Section 1. Such determination shall be made as follows:

- (1) By the Board of Trustees by a majority vote of a quorum consisting of members who were not parties to such action, suit, or proceeding;
- (2) If a quorum is not obtainable, or, even if obtainable, a quorum of disinterested members of the Board of Trustees so directs, by independent legal counsel in a written opinion; or
- (3) By a majority vote of the Institutional Members, assuming a quorum.

Section 4. Early Payment of Expenses. Expenses, including attorneys' fees, incurred in defending a civil or criminal action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit, or proceeding as authorized in the manner provided in Section 3 upon receipt of an undertaking by or on behalf of the current or former member of the Board of Trustees or Officer who is not a member of the Board of Trustees, employee, agent, or representative of the Corporation to repay such amount unless it shall ultimately be determined that the person is entitled to be indemnified by the Corporation as authorized in this Article.

Section 5. Insurance. The Corporation shall purchase and maintain insurance on behalf of any member who is or was a current or former member of the Board of Trustees or Officer who is not a member of the Board of Trustees, employee, agent, or representative of the Corporation against any liability asserted against such person described above and incurred by that person in any such capacity or arising out of that person's status as such, whether or not the Corporation would have the power to indemnify the person against such liability under this Article.

Section 6. Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any By-Law, agreement, vote of the Institutional Members, disinterested members of the Board of Trustees, or otherwise, both as to action in the individual's official capacity and as to action in another capacity while holding such office or other role, and shall continue

as to an individual who has ceased to be a member of the Board of Trustees or Officer who is not a member of the Board of Trustees, employee, agent, or representative and shall inure to the benefit of the heirs, executors, and administrators of such individual, against expenses, including the costs of defense of any action that are necessarily and reasonably incurred by them in connection with any action, suit, or proceeding in which they or any of the individuals listed above are made parties or party, by reason of their position in the Corporation, except in relation to matters in which any such individual did not act in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the Corporation. With respect to any criminal action or proceeding, such person must have had no reasonable cause to believe the conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the individual did not act in good faith and in a manner which the individual reasonably believed to be in or not opposed to the best interest of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was not unlawful.

Article XI - Amendment to Articles of Incorporation/By-Laws
